TRAINING ANNOUNCEMENT

GANGS: SECRET CODES, SIGNS AND SYMBOLS
JUNE 26, 2013     0830-1700

The United States Attorney’s Office for the Middle District of Florida and the Center for Public Safety Innovation at St. Petersburg College are pleased to announce that the Project Safe Neighborhoods Violent Gang and Gun Crime Reduction Program will conduct a one day class on the secret writings, codes, signs and symbols used by gang members in efforts to code or disguise the contents of their written communications. The training is being held at the Brevard County Sheriff’s Office with assistance from the Florida Sheriff’s Association. There are no fees or costs to attend the training.

Here is an opportunity to attend a gang intelligence training session with real impact. This course is designed to provide law enforcement officers with knowledge of the covert methods of communication used by gang members in correctional facilities and in other situations where covert communications are used. The emphasis is on deciphering and code-cracking of confiscated documents. Participants will learn how to look for patterns that help to decode documents and develop an appreciation for the ingenuity of criminals to hide their messages. The presenter, GS KLIVANS, uses codes that he has deciphered to illustrate intricate hidden signs and symbols. Secret codes, signs and symbols are used to demonstrate the complex and sophisticated nature of the communications used by gangs.

Due to the sensitive nature of the material, registration is limited to law enforcement and corrections personnel. Appropriate agency credentials required at sign in.

When and Where:

The training event will be held on Wednesday, June 26, 2013, hosted by the Brevard County Sheriff’s Office, at 2575 N Courtenay Parkway, Merritt Island, FL 32953. Dress is business casual.
